**TO WHOM IT MAY CONCERN**

I am extremely glad to recommend Sukhjot Kaur to your university. Sukhjot Kaur has been working as Computer Teacher since 2017 for the firm. I am associated with her from the very moment she joined the firm and I have been a mentor to her.

She is a very hard working individual who is eager to learn new things and apply it practically. She displayed great talents in managing her classroom, teaching concepts to all learning styles and developing a genuine love of learning in her students. She began introducing innovative new teaching styles. Her patience is worth praise when she works as a part of a team ensuring that she fulfills all her responsibilities.

I am happy she wants to pursue her studies to learn new things and put them into use. I am confident that she is a suitable candidate for the program and the university as she will learn a lot from the program. Feel free to contact me for any queries.
