## Letter of recommendation

I am writing this reference letter in support of **Mohini** who wants to pursue higher study at your esteemed university. I have known **Mohini** in my capacity as her professor for over three years now during which, I taught her the course "Management Accounting" in 5<sup>th</sup> semester of her Bachelor of Commerce study in the year 2019. As far as my opinion is concerned, She posses a great subject knowledge and have an immense zeal to learn new things.
