**Letter of Recommendation**

It gives me immense pleasure in recommending Manpreet Singh S/O Mr. Nachhatar Singh & Mrs. Ranjit Kaur for pursuing higher education at your esteemed university. I have known him for session 2019-20. He was studying in XII (science)(medical) in this school and passed the same in March 2020 vide Roll No.2020058197 issued by Punjab School Education Board. His school registration number is 3254.

I have come across many students with a sharp understanding and knowledge of English. It is the rare students who are able to develop a multi-dimensional perspective of the course.

He has shown the motivational, intelligence, preserving nature and analytical aptitude for his study. His attendance and his presence of mind has been a key part of his study program that has helped him to contribute positively while working a part of the team. In my view, Manpreet Singh compares favorably with the best among my students. I am sure He will make an outstanding performance in his higher studies.

I recommend him in the strongest term for admission at your esteemed university.
