Letter of Recommendation

I am more than happy to recommend Kamalpreet Kaur D/o S. Jaswinder Singh for a place in your university as she was a great student and would prove to be an asset to your university. She completed her M.Com. during the academic sessions 2013-14 to 2014-15 with university registration no. 2010.STP/A.343. I have no hesitation in recommending her name as I am confident that she will make our college's name proud wherever she goes.

She was actively involved in extracurricular activities and encouraged many students to take part in them. She was the student to participate in all the college events and even helped organize events for the junior students. She has great leadership skills as she even started many educational programs in college that would help student struggling with the academics.

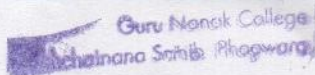

Please do grant him admission in your university and I am confident she will be a great candidate for your university.
