## LETTER OF RECOMMENDATION

I am writing on behalf of Kirandeep Kaur D/o Surinder Singh, who is a serious and motivation student in **Sahib Shri Guru Gobind Singh Sen. Sec. School Choongh**. She has been one of my best student, who involved in the various other activities organized by the school.

As the teacher of the school, I have observed that Kirandeep Kaur is one of those student who has always been good in behavior with all her teachers. She has always excelled in her exam and has never been over confident about it. She has always stood for what is morally and ethically right and has not been afraid of holding responsibilities.

I am certain that Kirandeep Kaur is going to make the best out of every thing because of her great sence of hard work, strength and dedication that she puts into her work. I have absolutely no holding back in recommending my student Kirandeep Kaur to your university. I also request the management of your university to consider Kirandeep Kaur as a well deserved student for the nomination of scholarship.
