LETTER OF RECOMMENDATION

I am pleased to write recommendation letter for Mr Jaswinder Singh who aspires to attempt Master of Physiotherapy.

I have found him to be bright in creativity and clinical abilities. He showed a deep and abiding interest in practical aspects of physiotherapy and has good communication skills with lots of patience to understand the problems of patients. He has good treating abilities along with good practical knowledge to consult as well as treat patients to their satisfaction. His ability to apply his acquired knowledge is noteworthy and makes him an ideal candidate for master degree. He is an excellent team player, organizing various seminars, public lectures and awareness camps at his initiatives.

Above qualities that will be an asset in his higher studies and he is being strongly recommend him for higher studies in the field of physiotherapy. I wish his success in his future endeavours.
