LETTER OF RECOMMENDATION

It brings me great pleasure to recommend Upashna Chettri for further studies. She was a bonafide student graduated from **VELS INSTITUTE OF SCIENCE, TECHNOLOGY AND ADVANCED STUDIES** in the year 2014 (Batch 2010-2014).

She has excellent communication skills. Her overall intelligence is also reflected in her grades for the course. Upashna is unquestionably an excellent candidate for graduate study.

I would therefore highly recommend Upashna to pursue graduate studies in any higher academic institution. She would be an extremely positive assest to your program.

Sincerely,

Malarkodi velraj
