## LETTER OF RECOMMENDATION

I am very pleased to recommend Manisha D/o Darshan Lal of our origination for her education abroad. She has completed her 2 years diploma ADIT(Advance Diploma In Information Technology) from our origination under Regd. No. 2018/01/2005 Year in 2018 to 2020.

Manisha is bright, energetic, compassionate and genuinely well rounded. She has always been eager to learn and enthusiastic about the new concepts that came along, during the course. I think this strong interest will help her to achieve great things in future.

With full confidence in her abilities, I strongly recommend Manisha to study abroad.
