## Letter of Recommendation

I have a great pleasure in recommending Ms. Raman Jyoti for higher studies. She has been one of the most distinguished students of her batch. She has completed her Bachelor of Science (ATHM) having university roll number 1432673 for the session 2014-2017. She is intelligent, innovative and determined. She has a strong academic background and can be singled out for her abiding interest and insight into her area of learning. She has a strong ability to analyze problem and is very original in her ideas.

She is very fine person bearing good moral character and high ethical values. She is perfectly disciplined, sensible, mature and fully conscious of her responsibilities. I appreciate her sincerity and strong motivation towards her studies. She is highly motivated student and I have no hesitation in recommending her for admission to your University.

## LETTER OF RECOMMENDATION

It gives me immense pleasure to know that my invincible student Ms. Raman Jyoti is seeking admission in your reputed university. I have known her during her duration of course (three years) as I have taught her **Bachelor of Science (ATHM)** as a part of her curriculum. Her performance in the subject made me believe that she is a capable student and has had a great inclination and interest towards the subjects. She has completed **Bachelor of Science (ATHM)** for the session 2014-17 having university Roll Number 1432673.

In my view, her academic know-how, competence, perseverance and commitment definitely makes her one of the most significant student I have ever seen. Her meticulous approach towards the subjects reflects her maturity, which would lead her in to a successful student. Her inherent ability to reason out things from basic concept, her diligence and analytical approach in solving the problem and above all her pragmatic approach toward analyzing the concepts makes her an ideal candidate for master degree.

Corollary, I have full confidence in her and can rate her in the top 10% among my students. I vehemently recommend her for master studies at your reputed university so that she can hone her skills and be a good scholar with good financial assistance.
