### LETTER OF RECOMMENDATION

I am delighted to be called upon as a reference for **Mr. Prince Kalsi** (Regd. No. 11707465) S/o Mr. Jaswant Ram. As faculty in Lovely Professional University, I have known him for the past 3 years during perusal of his B.Com. in which I taught him Essentials of Marketing.

Mr. Prince Kalsi has been a bright and an enthusiastic student. He came prepared for the lectures and contributed to the overall air of the class by asking intelligent questions and indulging the entire group in fruitful discussions.

With his consistent academic performance, he remained among the good performers in the class. He has good communication skills and was especially skilled in making presentations.

Through these years I have seen in him, a great potential to succeed in the management field hence I wholeheartedly support his decision to pursue higher education abroad. I am very interested in his application and will be available to answer any further queries that you may have.

With regards
