## Letter of Recommendation

### To whom it may concern

I am pleased to write recommendation letter for Miss Lavi Rani for admission in the course being offered at your university/college. I observed her during three years LL.B. Course. She was an out standing student and completed her graduation from Vivek College of Law, Bijnor

During LL.B 3 Years of her study I have been wowed by her intellectual and emotional maturity. She was sensitive and regular with her study's.

She was well equipped to grow from challenges that she was presented with her traits and good character.

With best wishes.
