Letter of Recommendation

It is certified that Arsh Deep Singh, son of Mr. Resham Singh and Mrs. Harjeet Kaur, was a regular bona fide student of St. Xavier's School, Bhiwadi. He passed Class X (Roll No. 1127300) Board Examination in Session 2015-2016.

During his stay and study he was found to be good both at academics and extra curricular activities.

He was a disciplined and obedient student and helpful to others. His communication skills were good.

I recommend him for further study at your University / College.
