Recommendation letter

Dear Admissions committee,

It is my great pleasure to recommend Harjeet Singh S/o Gurpreet Singh for admission to your- University. I have known Harjeet Singh for 2 years (12th Arts) in session(2018-2019). During this time, I watched Harjeet Singh grow into an outstanding individual who excels in both his academic and personal pursuits.

As a teacher and adviser, I found him to be an industrious student, who handles studies and co-curricular activities together with comfort. His sense of responsibility and management skills is impressive.

Harjeet's academic accomplishments are rivaled only by his personal strengths. His compassion and charisma are beyond his years and he is well loved by his peers, as well as those who had the pleasure of teaching him. When ever any of his fellow Student are having a difficult time or feeling down, he never fails to step in with an encouraging word and a smile.

I highly recommend you accept Harjeet Singh into your University. I am confident he will make an excellent addition to your university's community. Please feel free to contact me if you have any questions regarding his character or past academic work.
