TO WHOM IT MAY CONCERN

It is a pleasure to write for a letter of recommendation Puneeta Sharma D/o Ashwani Kumar, She was our student of MBA (Hons.) Financial Services batch 2012-14. She has been observed to be an intelligent, sincere and hard working. She was well behaved and courteous. She has maintained a good record and I am very confident that same will be going to continue further too. I recommend her for further studies abroad
