I am pleased to write the letter to recommend my student Mr. Dharampreet Singh. I, Janak Rani (Co-ordinator) K.R Sr. Sec. School Azad Nagar, Ferozepur City, Punjab. I have observed his in this class and laboratory hours while teaching the subjects English, Sociology, Drawing and Painting, Computer Science, Physical Education & sports, in which he proved to be one of the most sincere and hard-working student. His medium of instruction was English.

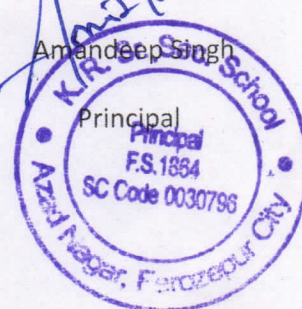

My acquaintance with him, spread over 2 year, has given me an opportunity to observe him closely and judge his capabilities. During my 2 years of acquaintance with him, the notable quality that has thoroughly impressed me is his sharp thinking. An eager and keen student in grasping anything new in his field, he has been regularly keeping herself update about latest developments in his field. This he has achieved through active participation in the seminars conducted by our school.

In addition to excelling in academics. he has demonstrated excellent powers of observation and has ability to suggest Changes that were effective upon implementation. I have found him leadership and project management skills, he is is possessing skill of applying one concept in another area. he has unique ability to work individually as well as in a team.

Therefore, I strongly recommend him for Bachelor level studies at your esteemed university. If you have any queries about this recommendation, please feel free to contact me.
