- ii. the program is not provided in full to you because the University has a sanction imposed by a government regulator; you are entitled to a partial refund of the program fees that have been paid by you. The default period is the number of weeks remaining in the term where you are unable to study.

Refunds of credit balance will normally be made in the currency of your country of permanent residence.

6.5.2. Credit amounts on your account up to and including \$100AUD will be forfeited to the University and processed as a forfeit of an insignificant credit balance. The University deems that credit balances are insignificant balances if the credit balance is \$100 or less and your program status is inactive for more than one (1) semester.

6.5.3. If you have unclaimed credit amounts greater than \$100AUD you will be notified in writing of their credit amount if your program status is inactive for more than one (1) semester. If refund applications are not received within twelve (12) weeks of the date of this written communication, credit balances will be deemed as unclaimed and dealt with by the University according to the Unclaimed Monies Act 2008.
